

DOMREX™

DISPOSABLE TOURNIQUET PRE-NOTCHED DISPENSER BOX

The DOMREX™ Disposable Tourniquet Pre-notched is designed to provide healthcare professionals with a reliable and convenient tool for blood draws, IV insertions, and various medical procedures. With its pre-notched design, this tourniquet ensures a secure and quick application, streamlining the preparation process in high-demand clinical environments. Made from high-quality, latex-free material, it prioritizes patient safety and comfort while minimizing the risk of cross-contamination. Perfect for single-use, this disposable tourniquet is an essential addition to any medical practice looking to uphold hygiene standards with every patient interaction.
